

## LOGIN CREDENTIALS

Company ID:

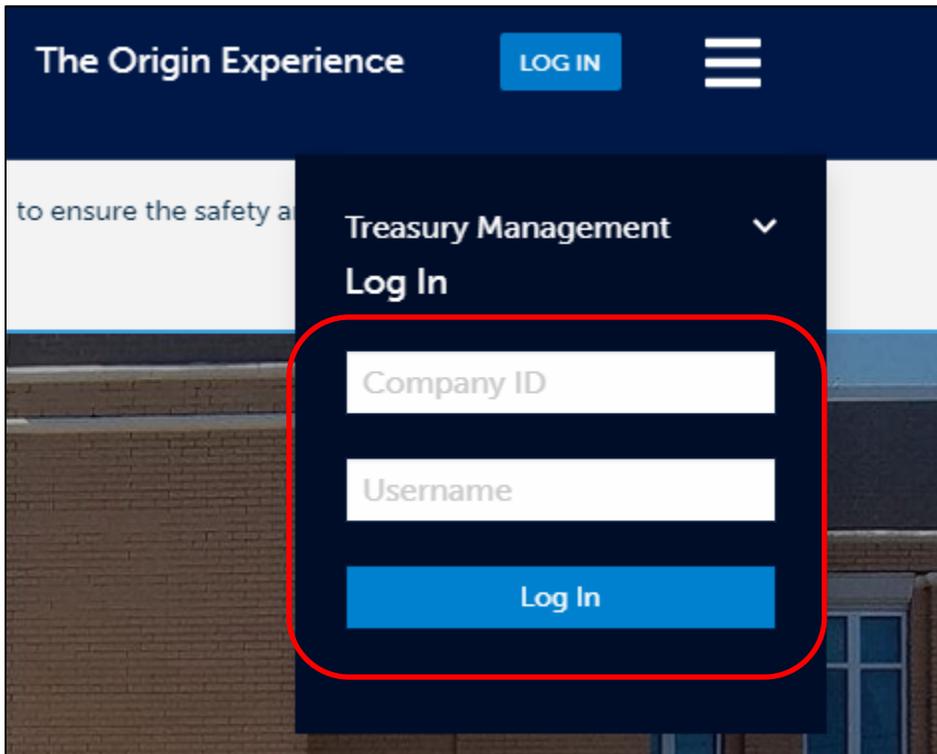

User ID:

Temp Password:

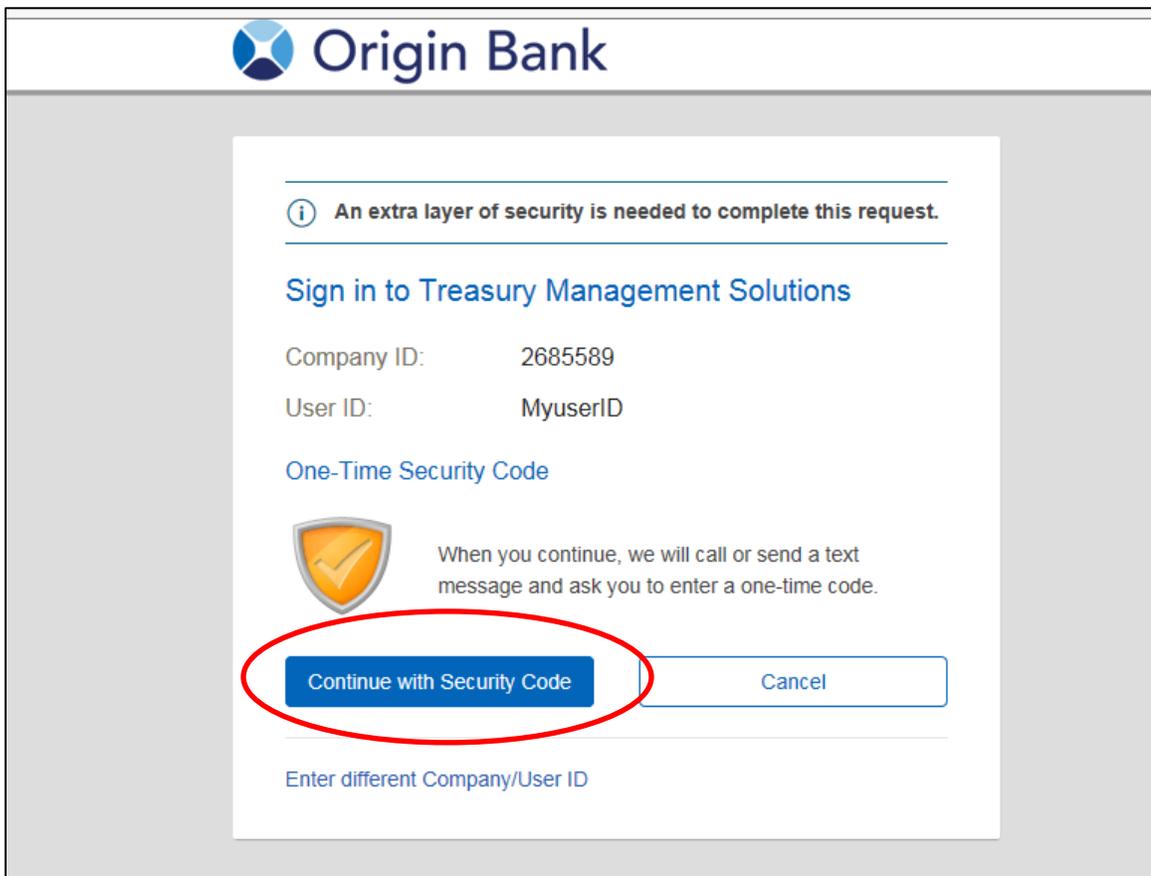

1. Go to <https://www.origin.bank>
2. From the top right corner of the website, hover over LOG IN and select TREASURY MANAGEMENT.

3. Enter the Company ID and Username/User ID and click Log In.

4. The first time you login to a computer, you will need to register it using our Out of Band Authentication process (OOBA). Click "Continue with Security Code."

5. You will now have the option to receive the Ooba by automated phone call or Text Message. Select a check box for a phone number and a delivery option. Click "Continue."

### One-Time Security Code ✕

Tell us where to reach you

Don't recognize these phone numbers?

You might have entered an incorrect user ID. Return to the sign-in page and re-enter your user ID. If you recognize the phone numbers, but they are no longer accurate, contact 888-292-4037.

Select phone number:

- (XXX) XXX-0321
- (XXX) XXX-4597

Select option:

- Call the selected number.
- Text the selected number.

Note: Standard text message rates apply. Please contact your wireless carrier for details.

6.

- a. If you select to receive it by phone, you will receive an automated call. Follow the instructions and enter the PIN on your phone when prompted.

- b. If you selected to have a Text Message sent, you will receive the security code inside a text message. Enter the number provided in the body of the text and click "Submit."

The image shows a screenshot of the Origin Bank mobile app interface. At the top, the Origin Bank logo and name are displayed. Below this is a white dialog box titled "One-Time Security Code" with a close button (X) in the top right corner. The dialog box contains the following text: "Enter the security code", "A text message with a one-time security code has been sent to (xxx) xxx-5984.", and a note: "Note: Text messages can take a few minutes to be received." Below the note is a label "One-time security code:" followed by an empty text input field. At the bottom of the dialog box are two buttons: a blue "Submit" button and a white "Cancel" button with a blue border. Below the dialog box, there are two more buttons: a blue "Continue with Security Code" button and a white "Cancel" button with a blue border. Red circles are drawn around the "Submit" button and the text input field.

7. Enter the Temporary password provided at the top of this document and click "Sign In"

The image shows a login interface for Origin Bank's Treasury Management Solutions. At the top left is the Origin Bank logo, a blue circle with three white curved segments. To its right is the text "Origin Bank" in a dark blue font. Below the logo and name is a white rectangular area containing the login form. The form has a title "Sign in to Treasury Management Solutions" in blue. It contains three rows of labels and values: "Company ID: 1281362", "User ID: faulk", and "Password:". The password field is an empty white box with a red oval around it. Below the password field are two buttons: a blue "Sign In" button with a red oval around it, and a white "Cancel" button with a blue border. At the bottom of the form is a link "Enter different Company/User ID" in blue text.

8. Create and confirm a new password. Once you meet the listed requirements, the black right arrow will be replaced by a green circled check mark. Click "Submit."

The image shows a web form for resetting a password on the Origin Bank website. The form is titled "Reset Password" and is set against a light gray background with the Origin Bank logo at the top. It contains two password input fields: "New password:" and "Confirm new password:". The "New password:" field is currently filled with ten black dots. To the right of this field, a green status message reads "Password requirements: 6 of 6 requirements met". Below this, a list of requirements is shown, each with a green checkmark in a circle: "Must be 8 to 12 characters long.", "Must include at least three of the following: lower case letter, upper case letter, number, special character.", "Cannot include spaces.", "Cannot include a character that repeats more than 3 times.", "Can include the following characters: ! @ # \$ % ^ & \* ( ) \_ + = | / ? ; : . } { - [ ]", and "Is case sensitive.". The "Confirm new password:" field is also filled with ten black dots. At the bottom of the form, there are two buttons: a blue "Submit" button and a white "Cancel" button with a blue border. The "Submit" button is circled in red.
